Bluestone Dam Table Top Exercise

February 8, 2012

8:30AM - 5:00PM

Charleston Civic Center – Charleston, WV

Registration is a prerequisite to this exercise

Exercise Description:

This is the first exercise in a series related to the planning that has been occurring relative to a significant event involving the Bluestone Dam. The exercise will provide participants with an opportunity to evaluate current response concepts, plans, and capabilities for a response to a flood in New River and Kanawha River Valleys, including an incident potentially related to a dam failure. The exercise will focus on state, county and local incident and emergency management responsibilities related to evacuation and mass care of the population at risk, based on projected impact areas and their immediate tributaries, necessary to save lives and protect public health and safety.
